### Product Warranty

Circuit Technology Center, Inc. warrants that products manufactured by it are free of defects in materials and workmanship for a period of one (1) year from the date of receipt by the user. This Warranty does not apply to shelf-life limited items such as epoxies, circuit frames, etc... This warranty does not cover wear and tear under normal use, repair or replacement required as a result of misuse, improper application, mishandling or improper storage. Consumable items such as ball mills, bonding tips, etc. which wear out under normal use are excluded. Failure to perform recommended routine maintenance will void this warranty. This warranty is available only to the first user.

Circuit Technology Center, Inc. makes no other warranty, expressed or implied, and makes no warranty of merchantability or fitness for a particular purpose. Circuit Technology Center, Inc. will, at its option, repair or replace any defective products at its facility or other location approved by it at no charge to user, or provide parts without charge for installation by the user in the field at user's expense and risk. User will be responsible for all costs of shipping equipment to Circuit Technology Center, Inc. or other location for warranty service.

Except for the remedy above described, unless otherwise required by applicable law, Circuit Technology Center, Inc. will have no other obligation with regard to any breach of warranty or other claim with respect to products, liability for any direct, indirect, consequential, or incidental loss or damage caused by, or occurring in, connection with any of the products.
